

BRACEBRIDGE AGRICULTURAL SOCIETY BURSARY APPLICATION GUIDELINES

INTRODUCTION:

The Bracebridge Agricultural Society encourages young people to successfully complete a formal education in agriculture and/or homecraft studies or any related disciplines (see attached Appendix for sample list). The Society demonstrates commitment to this goal by offering a bursary to assist students in achieving their academic qualifications related to these areas of study.

REQUIREMENTS:

- . Applicants must be enrolled as a student of Bracebridge & Muskoka Lakes Secondary, St. Dominic Catholic Secondary or Gravenhurst High School for at least one full school year.
- . Applicants must demonstrate acceptance into a recognized college or university program in specified academic disciplines, for full-time studies.
- . The bursary fund can be awarded one time to a maximum of \$1000.00. The bursary can be applied for at any time during the course of study. If there is more than 1 qualified applicant, the award amount may be split at the discretion of the committee.
- . An Applicant who is approved for a bursary award by the Bracebridge Agricultural Society is required to demonstrate to the Society that they are enrolled and attending the course of study specified in the Bursary Application. For example: A letter from the Registrar
- . Applicants are required to provide two (2) letters of recommendation from a recognized authority. Person cannot be a family member, and at least one letter must be from a person who works outside the education field. These references should be attached to the application form at the time of submission. All data on the application form will be held in confidence.
- . Applications should be completed in full and mailed **by May 31**, to:
Bracebridge Agricultural Society, P.O. Box 53, Bracebridge, Ontario P1L 1T5
