|-----|--|
| 9A. | Open Saddle Up Challenge – set course of 10 obstacles |
| | Rider completes up to 10 obstacles that have a point value. |
| 9B. | Open Saddle Up Challenge - gambler's choice of obstacles |
| | Rider chooses the obstacles that have a point value, with a 2 minute time limit. |

This event combines typical trail class obstacles (ie., gate, mailbox, bridge, etc.) with more challenging ones (ie., pole pivot, barrel squeeze, save the dummy, etc.). Obstacles are assigned a value of 1-6. Horses (or ponies) are allowed to complete the course only once. No lead lines in this class.

Should a rider be bucked off or fall off, he/she may continue to compete provided he/she can catch their horse unassisted and remount within one minute. Should the horse leave the perimeter of the course, the rider is disqualified. If there is a tie at the conclusion of the challenge, riders may share the prize or choose a re-run.

Prizes: Rosettes to 4th place, as well as cash prizes:
 1st - \$50 2nd - \$40 3rd - \$30 4th - \$20

Obstacles:

It is the riders' responsibility to have a clear understanding of their own ability and the ability they have achieved within the partnership with their horse. Should any rider approach an obstacle that he/she feels is beyond their ability, he/she is expected to skip that obstacle and go to the next obstacle.

Saddle Up Challenge (A): Horse and rider will complete a set of 10 obstacles that have a point value.

Saddle Up Challenge (B): Horse and rider will have 2 minutes to choose and complete as many obstacles as possible (gambler's choice). An obstacle can be completed only twice and not back-to-back. If an obstacle is knocked down, it can no longer be completed and no points are given. Time begins as soon as horse and rider cross between the starting posts. When the time limit elapses, a whistle will be blown and the rider must leave the course.

Scoring:

A point value will be given to each obstacle, 1=low, 6=high.

Judging:

The judges may disqualify a contestant for what they deem to be abuse of any animal or the abuse of these rules without notice or reason given. If a judge deems a horse unfit to compete for any reason, the horse shall be disqualified from the event. Every horse shall be treated with dignity and respect. Rough handling of the horse is always a deduction on any and all obstacles.

Tack:

Tack can be Western, English or Australian. Mechanical hackamores, tie downs, martingales, cavessons, drop nose bands and any form of gag bit or slip bit is not allowed. Spurs are not allowed.

The Course:

No practicing is allowed on the course prior to or during the event. Obstacles and course rules may be reviewed at that time. Only the contestants are allowed to ask the judges questions about any obstacle or rule on the course. It is the responsibility of the contestant to fully understand the rules and obstacles prior to the beginning of the event.
